

I'd like to thank all of the exhibitors who brought their beautiful puppies to show to Rusty and me. It was quite a treat to go over so many lovely young dogs. The quality was just what I expected for Potomac...outstanding!!!! Sincerely, Dr. Karen Helmers

6-9 Month Black Bitches:

1: Stonehenge Tabatha's Sunfest Solace: This beautiful black puppy is so typical of this kennel and caught my eye as soon as she stepped in to the ring. She has a handsome head, lovely neck into topline, tail straight off her back and was balanced front and back. She had lovely bone and coat. She moved well. She was a good sized girl with nothing overdone.

2: Deep Run Black Dahlia of Kalief: This is a very pretty, typey, feminine black bitch. She has a beautiful coat, topline, tailset and movement and showed very well.
